

Art & Design Level 1

This course is designed to give you an introduction to art and design. You will experience a variety of media so that you can make an informed decision which you would like to specialise in when you move to the next level.

Level: 1

Duration: 1 Year

Campus: Aireville Campus

Awarding Body: UAL

Overview

Our fantastic industry standard facilities include a Commercial Graphics Studio equipped with Mac Computers, Photography Studio, 3D modelling and Animation Suite with Adobe Creative Cloud, Fashion, textiles and 3D Design studios as well as individual Fine Art spaces.

Exploring drawing, painting, 3D, textiles and digital design, you will be introduced to a variety of fun projects throughout the year, giving you the opportunity to gain skills and understand the role of the creative industries as well as displaying your artwork and designs in a professional manner.
