Start a qualification in Art, Design and Media. Enjoy learning new techniques. Work with different materials. Broaden your understanding of art contexts. See the world differently!

Duration: 1 Year

Course Code: UHPPAA07

Start Date: Fri 24 September 2021

Weeks: 8

Time: 09:00 - 16:30

Fee: £200 *

Overview

This course in Art, Design and Media is designed for adults to explore their creativity using traditional art materials and techniques and also introduce you to new technologies. You will develop your knowledge of Art History and Contemporary Art practice. Working with a project brief, you will develop your ideas linked to a theme. You will be taught in well-equipped studios which have the facilities needed to develop your painting and drawing skills.

This course will require independent study and research as well as one full day of study in college each week.

- Unit 1 Introduction To Materials, Processes & Skills In Art, Design & Media
 - Unit 2 Introduction To Contextual Research In Art, Design & Media
- There are no specific entry requirements for this qualification.

Academic Progression

- Art & Design Certificate Level 1 NCFE
- Art, Design & Media Diploma Level 1 & 2

* Fee remission available on this course
