

Aviation Operations & Travel Level 3

With 2,350 jobs at Leeds Bradford Airport alone and more than 3.4m passengers per annum with a forecast of growth, there is a world of opportunities in the aviation industry, whether you are interested in being a dispatcher, cabin crew, ground crew or airline agent.

Level: 3

Duration: 2 Years

Campus: The Aviation Academy

Awarding Body: NCFE

Overview

Aviation & Travel Level 3 is an exciting new curriculum where you will learn current aviation industry knowledge and skills to enable you to progress to Degree level or go straight into work. The best part is that you get to study at our unique airside campus based at Leeds Bradford Airport where your learning experience takes place alongside industry. We have extensive industry links with the UK and European companies including Swissport, LBIA, Jet2.com, Multiflight and World Duty-Free which explains our outstanding student progression into the Aviation workplace and Degree level study.

Thanks to our tutors who have specific training in the Aviation industry, we are able to offer students an engaging and varied learning experience to remember.
