

## Flower Arranging - Colours of Autumn

Bring the season of mists and mellow fruitfulness into your home and work with the rich colours of flowers and fruit in the autumn.

Course Code: UFPNAL03

Start Date: Wed 2 October 2019

Weeks: 4

Time: 19:00 - 21:00

Fee: £95

## Overview

Each session will include a demonstration of the design to be made, information about the specific flowers and how to prolong the life of the design. You will then make the design with the support and encouragement of the tutor and have a quality product to take home.

All flowers and associated resources will be provided.

## Equipment Info

Please bring:

- Sharp pair of scissors that will cut flower stems
- Secateurs
- Closed footwear
