

Flower Arranging - Spring

With blossom on the hedgerows and sunshine on the hills, springtime is perfect for making beautiful and interesting flower arrangements. Using a variety of flowers and spring time accessories you will bring this wonderful season to life and into your home.

Course Code: UFPNAL05

Start Date: Wed 4 March 2020

Weeks: 4

Time: 19:00 - 21:00

Fee: £95

Overview

Each session will include a demonstration of the design to be made, information about the specific flowers and how to prolong the life of the design. You will then make the design with the support and encouragement of the tutor and have a quality product to take home.

All flowers and associated resources will be provided.

Equipment Info

Please bring:

- Sharp pair of scissors that will cut flower stems
- Secateurs
- Closed footwear
