

## Hair & Media Make-up Level 2 Certificate

Brand new! Due to popular demand we have created a course which combines both hairdressing and media make-up.

Level: 2

Duration: 1 Year

Campus: Aireville Campus

Awarding Body: City & Guilds

### Overview

Hairdressing and media make-up are closely linked. This exciting new course will enable you to develop skills for employment within the fashion and media industries. You will learn many new skills which will open up a whole new world of opportunities for you to pursue.

Our new, fully-equipped modern, professional salon for hairdressing and media make-up at our Aireville Campus will provide a real working environment for your studies. You will be taught by highly qualified professionals with a wealth of industry experience and work on real clients using professional products.

Visits will include the Professional Beauty Trade Fair in Manchester and in order to build up your employability skills, work experience will form part of your course.
