

Horticulture Principles RHS Level 2

This theory-based Level 2 qualification is for those wanting a route into the horticultural profession, to support career development for those already working in horticulture or to provide a foundation for further learning or training.

Course Code: UFPNTL09

Start Date: Tue 17 September 2019

Weeks: 33

Time: 09:30 - 15:30

Fee: £1328

Overview

The RHS break the whole qualification down into two distinct parts. Units 1 – 4 constitute the RHS Level 2 Certificate in Plant Growth, Propagation & Development, Units 5 – 8 constitute the RHS Level 2 Certificate in Garden Planning, Establishment & Maintenance. Combined, all the units make up the full Principles of Horticulture RHS Level 2 Certificate.

This course can be combined with the RHS Level 2 Certificate in Practical Horticulture to provide an RHS Level 2 Diploma in the Principles and Practices of Horticulture.

A full timetable and reading list will be provided in the first session.

Modules

- Unit 1 (R2101): Plant Classification, Structure & Function
 - Unit 2 (R2102): Plant Nutrition & the Root Environment
 - Unit 3 (R2103): Maintaining Plant Health
 - Unit 4 (R2104): Understanding Plant Propagation
 - Unit 5 (R2111): Understanding Garden Features, Plant Selection & Planning
 - Unit 6 (R2112): Understanding the Choice, Establishing & Maintenance of Garden Plants & Lawns
 - Unit 7 (R2113): Understanding the Production of Outdoor Vegetables & Fruit
 - Unit 8 (R2114): Understanding Protected Environments & their use in Plant Cultivation
- * the RHS syllabus/exam code for each paper is included in brackets

Academic Progression

- This course can be combined with the Practical Horticulture Certificate Level 2 RHS to give the Horticulture Principles and Practices Diploma RHS Level 2
- Horticulture RHS Level 3
- Garden Design Foundation Degree
