

Land-based Studies Level 1

If you are looking for a practical course, love the outdoors and want to learn more about the world of farming and agriculture, then you will enjoy this Land-based Diploma.

Level: 1

Duration: 1 Year

Campus: Auction Mart

Awarding Body: City & Guilds

Overview

This course provides an introduction to Agriculture and the Environment and the Land-based sector. You will have access to all the facilities, animals and land-based machinery at our Auction Mart Campus as well as the superb Animal Management Centre on our Aireville Campus. Activities usually include lambing and hedge laying.
