Overview

Our Level 3 (A Level equivalent) courses are all taught in our fully equipped Theatrical and Media Make-up Studio, Prosthetics Workshop and state of the art Fibre Glass Suite for the making of specialist, film grade prosthetics. You will be supported by industry professionals with specialisms in theatre make-up, wigs, hair, hair punching for prosthetics, wig knotting for small facial postiche and airbrushing techniques. One member of our team was one of the only four make-up artists to become part of the prestigious team for writing the standards which form the basis of all make-up qualifications in the UK.

Whilst completing industry style assignments, you will have the opportunity to use the latest innovative products and techniques from the sector. You will also work closely with Photography, Media, Fashion and Performing Arts in College on project-based assignment opportunities which will broaden your horizons and allow you to tap into even more resources to help you build a professional portfolio.
