Sewing Design - Exploring

Develop your dressmaking skills to alter or create garments.

Duration: 1 Year

Course Code: UXPPKA13

Start Date: Mon 16 September 2019

Weeks: 12

Time: 13:00 - 15:00

Overview

During this course, you will develop your existing skills by completing a basic project of your choice using a domestic sewing machine. You will build your portfolio of skills with techniques such as creating tucks and darts. Throughout the course, you will receive plenty of tutor support.

Equipment Info

You will need to bring the material or garment that you wish to work on, including threads and trimmings.

* Fee remission available on this course
