WORK EXPERIENCE

As part of your course you need to find a company that will allow you complete work experience with them. You will need at least 1 week of work experience in order to complete your study programme

In order to find work experience, you need to ask family and friends if they know anybody who works in the construction industry. These can be self-employed sole traders, or larger building contractors.

If you do not know anyone then you will need to search the internet for local builder's/construction companies close to your own locality.

ACTIVITY - PLEASE COMPLETE THIS BY FRIDAY 26 JUNE

Name 2 things a Joiner might make in the workshop.

List 2 things a Joiner might do when working out on site.

Can you list 5 tools a joiner would use.

Do you know what PPE is?

What PPE would a joiner wear whilst at work?

APPLICANTS

Please complete this activity by **Friday 26 June** where you will present the results of the activity at our Future Student Morning.

The Future Student Morning will be delivered as a virtual event where your course area tutor will give you an online webinar, you will shortly receive an email with a link to sign up for this event.

If you have applied for a course starting September 2020, it is essential for you to sign up for this event as you will receive information about your course, enrolment and key dates.
