## ACTIVITY - PLEASE COMPLETE THIS BY FRIDAY 26 JUNE

This challenge will give you the opportunity to create a really creative and original look which are two qualities that are very valued in a makeup artist. Typically makeup artists design from a source of inspiration. They use the colours, shapes, textures and form of items of clothing, jewellery, themes to inspire their work.

We would like you to create a makeup look using inspiration from these two items. The first is a vinyl record and the second is citrus fruit; these can include lemons, limes, grapefruits, pink grapefruits, oranges, blood oranges so it gives you scope. You can either present a colour design or a makeup look and you can include a digital mood board to support either. We have taken inspiration for this challenge from the amazing make-up artist Jo Baker **@missjobaker**

Jo Baker is based in LA, she's an experienced fashion and editorial artist, with her work appearing in Vogue and Vanity Fair. Known for her innovative looks which she creates for her long list of celebrities, she often presents her make-up alongside unusual sources of inspiration in mini mood boards. Breaking the boundaries of red carpet make-up Jo has created some truly iconic looks. Check out her looks on Instagram You can also send your work to us via Instagram **@mediamakeup\_cravencollege**
