Changes made

Version	Author	Date	Type of change/section	Reason for change
1.0	Julie Atkins	July 2024	New Procedure	New policy
2.0	Anita Lall	Aug 2025		Clarity on definition of an assistance dog

This procedure contains the following:

- Purpose of the procedure
- Scope
- Roles and responsibilities
- · Requests by Students
- Requests by Staff
- Requests by Visitors
- Requests for Emotional Support Dogs

Assistance Dogs Procedure

1. Introduction / purpose of procedure

This procedure outlines the steps to be taken when requesting to have an assistance dog in the College. This procedure should be read alongside the Assistance Dogs Policy.

2. Scope

This Policy applies to all staff, students and visitors to College premises, and across all sites.

3. Role & Responsibilities

Role	Responsibility
Head of Student Experience and Inclusion	Lead on requests by students
Head of HR	Lead on requests by staff
Heads of Department	Lead on requests by visitors

4. Requests by Students

- 4.1. Students wishing to bring an Assistance Dog onto site must first request permission from the College by completing a Request for Assistance Dog form (see Appendix A) at least 10 working days before the course starts.
- 4.2. This completed form and any supporting documentation to Sendsupport@cravencollege.ac.uk. The request will then be reviewed by the Head of Student Experience & Inclusion, the SEND & Inclusion manger and Assistant Principal of Curriculum and Student Experience.
- 4.3. The College must be given adequate time, prior to the arrival of the Assistance Dog to prepare the other students within the cohort for the presence of an Assistance Dog to ensure:
 - appropriate behaviour of students whilst the dog is working;
 - identification of other students with an allergy to dogs;
 - identification of other students with a phobia to dogs.
- 4.4. Students with Assistance Dogs must seek permission to bring an Assistance Dog onto College transport, by completing a Request for Assistance Dog form and providing the correct documentation at least 10 working days before the trip

5. Requests by Staff

5.1. Staff wishing to bring an Assistance Dog onto site must first request permission from the College by completing a Request for Assistance Dog form (see Appendix A) at least 10 working days before they wish the dog to be on site.

5.2.

5.3. Staff must submit their completed form and any supporting documentation to HR@Craven-College.ac.uk. The request will be reviewed by the Head of HR, the relevant line manager and a member of the senior team.

6. Requests by Visitors

- 6.1. In the case of visitors attending events organised or hosted by the College (on College premises) including Open Days, Taster Days and Careers events who wish to bring along an assistance dog, they must contact a member of the Customer Services team at customerservices@craven-college.ac.uk to discuss their needs and how best to support them.
- 6.2. In the case of guest speakers and other visitors, the member of staff inviting the guest speaker/visitor should ask the speaker to complete the form in appendix A at least 10 working days before the visit.

7. Requests for Emotional Support Dogs

- 7.1. Craven College may in very specific cases, where individuals have an ongoing emotional or psychological disability, agree that a student or staff member can bring their Emotional Support Dog to the college. All such requests should sent to Sendsupport@cravencollege.ac.uk for students or HR@Cravencollege.ac.uk for staff.
- 7.2. The person submitting a request must do so at least 10 working days before they wish the dog to be on site. They may also be asked to provide recent evidence of their medical diagnosis and a letter supporting the use of an Emotional Support Dog from an appropriate, qualified health professional. This letter can come from a GP or a community psychiatric nurse, psychiatrist or registered therapist.

8. Risk assessments

All requests will always be subject to an appropriate risk assessment and will be considered as part of the request review. This risk assessment, on grounds of health and safety, might well highlight certain higher risk areas (i.e. laboratories, workshops etc.) from which the assistance dog will be prohibited from.

9. Monitoring and Review

The Head of Student Experience & Inclusion (for students) and the Head of HR (for staff) will maintain oversight of the effectiveness of these arrangements. This procedure will be reviewed annually or in response to legislative changes by the Assistant Principal Curriculum & Student Experience.

Compliance will be monitored through feedback from staff and students

10. Supporting documents and forms

Appendix A - Request for Assistance Dog form

11. Related Policies and Procedures

Assistance Dog Policy Equality and Diversity Policy

12. Equality Impact Assessment

An equality impact assessment has been carried out and there no unintended consequences for staff /students/stakeholders with protected characteristics
